## MESSAGE FROM THE PRESIDENT BISHOP DR. KEVIN C. CHANTILLOU

Grace & Peace to all. The bible declares in 2 Timothy 2:15 Amplified Bible (AMP) “Study and do your best to present yourself to God approved, a workman [tested by trial] who has no reason to be ashamed, accurately handling and skillfully teaching the word of truth”. I concur with this verse of scripture written by the Apostle Paul, because it is certainly the ethos of our intention.

My enthusiasm for this institution has been a brainchild since 2016 when my graphic designer and I created the logo for this school. For me personally, there has always been a fortitude to achieve more and told at times that I am an overachiever. I was never satisfied on the surface of anything. I literally live by a quote from Anthony J. D’Angelo: “Develop a passion for learning. If you do, you will never cease to grow”.

Then came my love for the great African President and Apartheid abolitionist, Nelson Mandela who said, “A good head and good heart are always a formidable combination. But when you add to that a literate tongue or pen, then you have something very special”.

It is against these merits; I stand as a conduit to champion the knowledge base of our people. It is a proven fact that those who listen, learn, study and impart to others, will always stand out as a beacon of light not just locally but globally. It is my optimism that individuals from everywhere: class, color and religion will see the need to undergird such an institution of learning of this magnitude.

Vision Institute of Biblical Studies is poised to have graduates who will be well qualified and equipped to take on the challenges of the next generation of Leaders. It is my prayer that we will not only survive but will also thrive. I look forward in the years to come, for a continuity of this great legacy. I am indeed proud to be a part of the foundation process.

God bless you.
